Dear Stefan,

Thank you for your interest in a career within _VOIS after attending the IT&C Fair 16-17 March 2024. We have received your application for IT&C 2024 Machine Learning Engineer.

We are happy to inform you that we want to proceed further with your application. Therefore, we are inviting you to the first step in the Assessment Center.

Attached you have all the details for exploratory data analysis and data modelling project that needs to be completed and sent via email to kaili.lian@vodafone.com until April 11 2024.

If successful, the second step will be an online interview with the hiring manager.

Looking forward to receiving your answers for the test,

NEXT_VOIS
